About Tirupati Group

Tirupati is one of the largest and fastest growing company with pioneers in providing end-to-end solutions from research to product launch, with multiple state-of-the-art manufacturing facilities based at Paonta Sahib (Himachal Pradesh) and Noida (Uttar Pradesh), India. We are the preferred choice of strategic partners in the Healthcare and Food Industry. The group was founded way back in 2005 and has evolved into a significant Market player. Along with the diverse portfolio in the broader segments of Pharmaceuticals, Nutraceuticals, and Ayush, we offer capabilities under the niche segments, such as, Sports Nutrition, Probiotics and Veterinary as well. Our Manufacturing capabilities spans across the multiple dosage forms, such as Powder, Tablet, Capsule, Liquid, Oil, Cream/Ointment/Balm, and Instillations type Nasal, Ear & Eye Drops, where we serve our customers with complete range of topical and oral solutions.

We are a group with an annual turnover of around 1200+ Crore and we cater to around 350+ MNCs and Indian companies which include major ones like Glanbia, Abbott, Cipla, Pfizer, Dr. Reddy's Laboratories, Sun Pharma, Dabur, Macleods, Glenmark, P&G, Sun Pharma, Alkem, Lupin, Intas, Torrent, Zydus, Mankind, Lenskart, Aster Pharmacy, Elements Wellness and many more. We have been awarded as Best Strategic Partner Of The Year by Abbott, for 3 consecutive years and have also been awarded as the "Best Nutraceutical Contract Manufacturing Company" & "Best Sports Health Supplement Company" in 2021 by ASSOCHAM.

Our DSIR approved R&D facility, is equipped with technologically advanced infrastructure. Furthermore, it is managed by well qualified and highly skilled team of scientists, backed up by state of the art testing facilities, ensuring timely development of differentiated products, that meet domestic and international regulatory standards. At Tirupati, we believe in supporting our Clients with shorter timelines, right from the Product Development phase, through stability profiles and commercialization stage.

Tirupati's manufacturing facilities use cutting edge technology with cGMP, QMS, Hygienic Engineering and EHS, that meets the stringent international standards of WHO - GMP, NSF, ISO, FSSAI, HALAL which are approved by various regulatory bodies of India and Overseas.
